

Do
you really
wanna go?

Gak-hwa you
haven't done anything
wrong.

Not
now, not anytime
in the future.

You
don't need to be
intimidated by other
people's stories.

You don't
need to give up
anything either.

So,

be more
honest with
yourself.

**IT'D BE
GREAT IF
YOU DIDN'T
EXIST! X X**

Miss Guk-hwa!

Sorry but when you're done with that, can you rearrange the stuff in the 'New' area?

Even if I hurry up and finish what I'm doing now right away, I don't think I can get everything there rearranged before we open so...

guk

Just give me the list ordered properly

Thank~

You really are the only one I can trust Guk-hwa, seriously~

Miss Guk-hwa!

When you're done with that, please go to the Fluebour!

Your nosebleed still hasn't stopped?

The other side also started bleeding

What should we do~

Please don't overexert yourself.

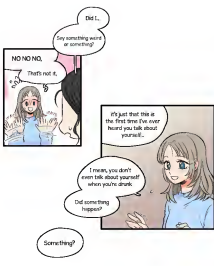

MY THOUGHTS.

MY EMOTIONS.

I thought I could control all of them.

I WAS JUST SO SCARED OF ANY RESPONSIBILITY.
